

Dear Year 6 parent

Your child will soon receive an invite to their Year 6 Leaver's Party and we are currently busy organising plans for the evening.

One of the events for the evening will be a small awards ceremony (Please keep this secret from your child). To help with our plans please can you assist by supplying us with a little information. Firstly please can you suggest an award that is relevant for your child, ie. most studious, most adventurous, aspiring (name sport), best dancer, or just something funny! And additionally please can you supply us with a photo of your child taken, preferably, on their first day at school/reception age wearing their school uniform. It doesn't matter if your child started at another school, please still send the photo.

Please send your award/s suggestion together with a digital photo file to me Maria Killick (Luca's mum) by Friday 16 June

mkillick@agarchitects.co.uk

Thank you for your help.
