19<sup>th</sup> May 2023

Dear Parents & Carers,

Well done to Year 2 and Year 6 who have completed their National Curriculum Assessments over the last few weeks. All of the children showed determination, resilience, focus and a great attitude. We are very proud of every single one of them. We are very aware that these assessments are only a snap shot and the staff at WKPS know all their amazing talents, personalities and strengths that they all individually have, which these types of assessments don't measure.

### Football Kits

A huge thank you to Mrs McLaughlin, who sponsored our brand-new sports kit.

The children looked great in their new kits at a recent tag rugby event.

Well done to our WKPS team who came 2<sup>nd</sup> in the tag rugby competition.

### PTA Summer Fair

A date for your diary – our PTA summer Fair is **Saturday 1<sup>st</sup> July.** This is always a great event to support and attend; however, we are looking for volunteers to ensure that we can successfully run it. Last year the PTA raised nearly £4,000 at the summer fair. The PTA regularly support our school with exciting events as well enabling us to purchase new equipment/resources. This year the PTA supported the purchase of our new phonics scheme, they purchased a brand-new screen and sound system in our school hall, they have paid for author visits and next weeks crazy golf.

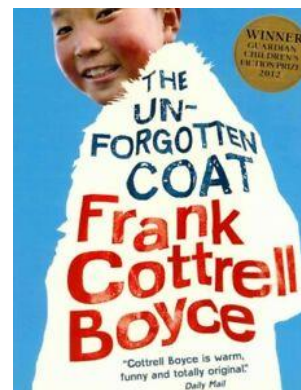

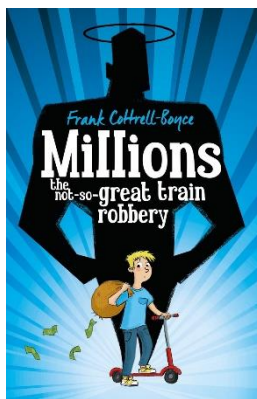

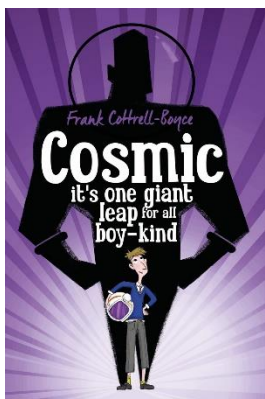

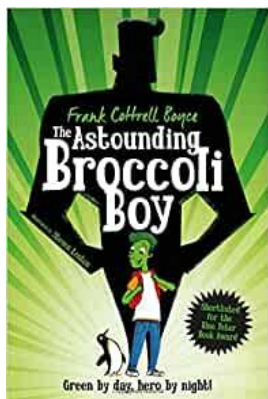

If you can spare any time on Saturday 1<sup>st</sup> July, please sign up using this form [Summer Fair - please sign up here](#)

Thank you in advance.

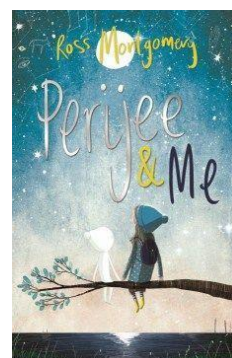

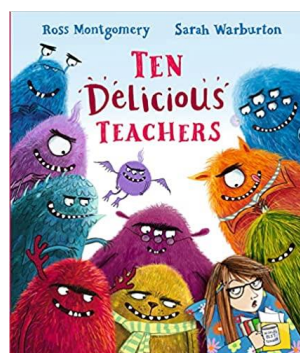

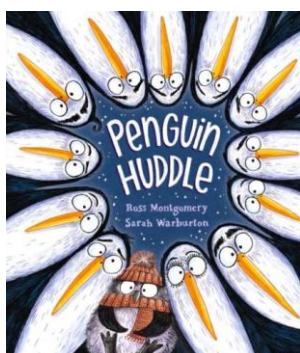

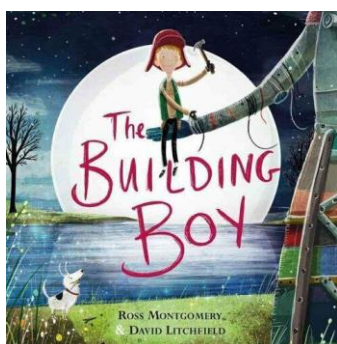

## Frank Cottrell Boyce

Reading is the heart of what we do at WKPS and we are proud that the children talk so confidently about reading and what they have read. Reading was praised in our recent Ofsted feedback and they agreed that we are reading school. Wirral Local Authority have also recognised this and we have been asked to share our good practice with other Wirral Schools in February 2024.

We have enjoyed several author visits to our school this year, and we are excited to have another event very soon. Frank Cottrell Boyce will be visiting our school on Wednesday 7<sup>th</sup> June. Library Jane is busy finalising preparations for this and more details will follow.

Look out for our next visit in July, which is Ross Montgomery.

## Staffing

You may have seen that Mrs Burrows has been in Class 5 a few days this week and will continue to do so next week. Hopefully, Mrs Burrows will be back in Class 5, Monday – Friday after half term.

I would like to take this opportunity to thank Mr McCrum, who has ensured a smooth transition for the children in Class 5 and ensured that he got to know the children well in a very small space of time. Thank you Mr McCrum.

## Online Safety

Keeping our children safe online is paramount. Please find attached to this email this week's online safety focus, which fits in well with Healthy week as it is titled – looking after your wellbeing online.

## Uniform

Unfortunately, standards of school uniform have deteriorated over the last few weeks. Please can I request that our uniform is adhered to at all times so that WKPS pupils look as smart as possible.

A few reminders...

- Only school jumpers should be worn for school (logo or no logo) – no alternatives please
- No branded items, in particular on PE days
- Only dark coloured (navy or black) joggers/leggings should be worn for PE
- School shoes should be worn at all times except for PE days
- School skirts should not be too short
- Only studs for pierced ears and no additional jewellery other than a watch.
- Hair longer than shoulder length should be tied up at all times
- No smart watches

## WKPS Values

We pride ourselves on our school values – ***Welcoming, Kind, Polite and Successful*** and we know that the children know them very well. However, we have had a small number of incidents in the last few weeks where the language used by some children towards each other is unkind and in some cases inappropriate. We have been reminding the children about kind words and will continue to do so; we ask for your support with this. If it emerges that any children are using unkind or inappropriate words, we will follow our behaviour policy. Parents may also be called to make you aware. Our aim is to ensure that our school environment is always a kind place for all.

## Drinks

Please can we ask that **Prime drinks and Prime bottles are not brought into school** under any circumstances – thank you for your support with this. Please can water bottles be filled with water, unless specific circumstances apply. As the weather gets warmer, please ensure that your child has a water bottle in school.

## Contact Us

As always please talk to us if you feel your child may need further support or there is any information that we need to be aware of.
