10th November 2017

Dear Parents,

Each week as part of the Key Stage Two Home Learning two Mathletics tasks are set on the Mathletics website for the children to complete.

In addition to the Mathletics lunchtime club that we currently offer every Wednesday, we will be offering an after school Mathletics club. This will run every **Tuesday from 3:30pm – 4:15pm** with Mrs Hearty and Mrs Smith.

The Mathletics club is open to any Key Stage Two child who would like to come along to complete their Mathletics tasks each week. This may be children who do not have internet access at home or children who would like staff present when they complete their Mathletics so that they can ask for help or further explanation.

Mathletics club was very popular last year and very successful; please return the reply slip at the bottom of this letter if you wish your child to attend each week. If your child signs up for this club we do ask that they attend every week. If for any reason they cannot attend one of the weeks please inform the school office as soon as you can.

Places are limited due to the number of computers we have in the Computer Suite.

The first Mathletics club will be on **Tuesday 14th November** and will run until **Tuesday 12th December**.

Yours sincerely

Mrs K Takashima
Headteacher
