7th July 2017

Dear Parents

This half term the topic in Year 1 and Year 2 has been The Seaside. Therefore, we have planned to go to the beach next Tuesday (11th July).

The children will be leaving school straight after the register (9:00 am) and heading down to the beach. We have checked the tide times, and we are planning to walk out to Little Eye, which we anticipate will take approximately 25 minutes. Once out at Little Eye, we intend to use this opportunity to reinforce some of the geographical vocabulary that the children have been learning this half term.

Due to the tide times, we will begin to walk back to the beach at 10:15am. Once at the beach the children will participate in beach school challenges, and eat their lunch. We intend to start walking back to school at 2:00pm, so that we are back at school for 2:30pm.

The Children will need to bring a rucksack/backpack with their packed lunch inside, along with a water bottle to keep them hydrated during the day. If the weather forecast is looking like it will be warm the children will need a sun hat and will need to have applied sun cream before arriving at school. If the weather is looking showery, then the children need to have a waterproof with them. If it is too wet we will have to cancel the trip. The children need to come to school in warm and comfy clothes that are suitable for walking and spending time on the beach. Your child needs to come to school in trainers and bring their wellington boots with them. Before they leave school they will put their wellington boots on, and then when we return they can change back into their trainers. From looking at the tides the few days before we go, we do anticipate that it will be quite wet and there will be puddles; therefore, wellington boots would prevent wet feet.

To ensure that we keep to the correct ratios we will need a small number of parents to accompany us during the day. If you are available and would like to join us, please indicate on the slip below and we will get back to you with further details. This trip can only go ahead if the weather is suitable, so hopefully the weather forecast will be on our side on Tuesday.

Yours sincerely

Mrs K Takashima
Head Teacher
