Dear Parents

20th September 2017

We would like to invite you to a meeting on Thursday October 5th to introduce you to our school home learning and present an explanation of Tapestry, the on line learning journey which we will be using in Foundation Stage this year and which we can share with you.

During the meeting, you will also have the opportunity to join your child on their first visit to our school library. It will be a chance for you to see the range of books in our library, meet our school librarian and help your child to make their selection. If you are not able to come your child will still visit the library and staff will be there to help them choose their book.

The meeting will follow the following format:

2.00pm - Introduction to the school library & reading for pleasure by our school librarian, Jane Hitchin.

2.15pm - 2.45pm - Children to visit library in groups. Home Learning resources will be available to view.

2.45pm - 3.25pm - Introduction to home learning in Foundation Stage and the Tapestry online learning journey.

We appreciate that some parents may only be able to attend for part of the afternoon. If you could indicate on the reply slip below which part of the meeting you are able to come to, that would help us to get an idea of numbers.

If you are unable to attend on this date, a letter giving more information about the online learning journal together with a permission slip will be sent out on the day of the meeting. Home learning information can also be found on our school website. However, if you have any questions, please let us know and we will do our best to answer them.

Many Thanks

Foundation Stage team
