Dear Parents

13th July 2017

On Wednesday 19th July, weather permitting; we are planning to take the children to West Kirby beach as part of our seaside theme.

We will be leaving school at 1.30pm and would expect to be back at school by 3.15pm. If your child is in F1 and does not usually attend on a Wednesday afternoon but you would like them to take part in this visit, they are welcome to come along provided that they are accompanied by an adult. Please let us know if this causes any difficulties.

We would like to make this a fun family afternoon and would therefore like as many parents or grandparents to accompany us as possible. You would then be responsible for your own child and staff will supervise the children not accompanied by a family member. You are welcome to bring younger siblings along with you. If we do not have enough accompanying adults, we may need to ask if you would supervise another child. Please could you indicate below if you are happy to do this?

On the day of the visit children will need to wear comfortable clothing and footwear suitable for walking. If it is sunny they will need to bring a sun hat and have sun cream applied before they come to school. Alternatively they could bring a named bottle into school if they are able to apply it themselves with a little adult supervision. We will take some play equipment down with us - balls, bean bags, buckets and spades etc. and will provide each child with an ice lolly when we are there. Drinks of water will also be available.

We will only be able to do this visit if we have enough adults to walk to the beach with us and supervise the children when we get there. If you are able to accompany us we would be grateful if you could fill in the reply slip below.

Yours sincerely

Cath Smith and Sophie Griffiths
Foundation Stage teachers
