26th January 2018

Dear Parents,

As part the children's whole school science day, we would like to invite you to our Foundation Stage science 'Stay & Play' session on Tuesday 6th February between 2.45pm and 3.30pm. This is an opportunity for you to take part in a range of science based activities with your child and find out about the sort of things your child might be learning about in Foundation Stage. The activities will be set up in both classrooms and staff will be available to answer any questions.

If you are unable to stay with your child they will still be able to take part and staff will help them to access the activities. If your child has an F1 morning session but you would like to come to this event you are very welcome provided that you are able to stay with them.

We look forward to seeing you on 6th February if you can make it.

Many thanks

Cath Smith & Debbie Woods
Foundation Stage Teachers
