

## Key Facts

- There are four seasons in the year: Spring, Summer, Autumn and Winter.
- In Summer, people like to go to different places. They may go on holiday, visit the park, visit the beach, go on a bike ride and more!
- According to scientists, a visit to the beach may improve your mood and make you feel happy!

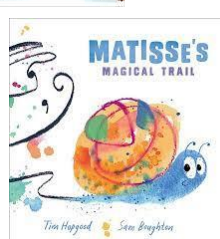

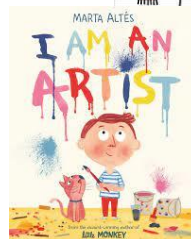

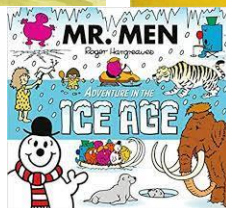

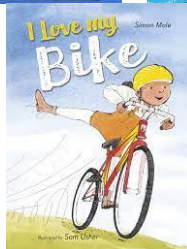

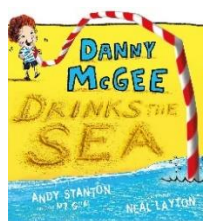

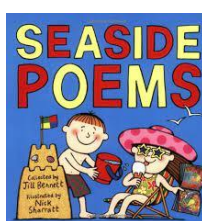

- People enjoy picnics and ice creams in the Summer.
- In Summer the weather in our country is usually warm.
- Other types of weather include rain, hail, wind, snow and cloudy skies.
- Long, long ago, the weather was very cold, even in the Summer. This was called the ice age. Different animals lived in our country then including woolly mammoths, woolly rhinos and scimitar toothed cats (not to be confused with the sabre tooth tiger who lived in America).

- Lots of artists are inspired by Summer including: Matisse, Paul Klee and Amira Rahim.

## Vocabulary

Season

A time period of the year marked by weather patterns and hours of daylight.

Spring

The weather begins to get warmer and trees and other plants grow new leaves. The weather can be rainy.

Summer

The hottest season that has long, usually sunny, days.

Autumn

The weather becomes cooler and leaves start falling from many types of trees.

Winter

The coldest season, with short days. The weather can be snowy.

Weather

The conditions in the air above the earth such as wind, rain, or temperature.

Ice age

A period in Earth's history when the ice expanded due to a lowering of the Earth's global temperatures.

Artist

A person who makes art such as paintings, drawings or sculptures.

## Home Learning conversations

- Talk to your grown up about how we can look after our local beach and the impact of having rubbish in our oceans.
- What is your favourite thing to do at the park and why?
- Where have you been to visit in the Summer?
- Where would you like to visit?
- What is your favourite kind of weather?
- What kinds of clothes should we wear in each season?
