1<sup>st</sup> July 2019

Dear Parents/ Carers,

### **DT Exhibition**

We would like to invite you to an exhibition of the fantastic work completed by pupils across the school in Design and Technology (DT) throughout this year. This will be on display in the School hall after school on Monday 8<sup>th</sup> July from 3.30-5.30pm as well as in some of our classrooms.

School will be open from 3:30pm until 5:30pm on Monday 8<sup>th</sup> July: Please collect your children then enter school from the Garden playground (through the carpark) and ask them to show you round. We will endeavour to put lots of photographs on the website after the event if you are unable to attend. For those who can come, it is also a chance to get a preview of our new Skylight room which is almost complete now- and a fantastic, huge space all children will benefit from- it will also be home to our new before and after school clubs from September.

We are also delighted to tell you that some of our pupils' sculptures are being exhibited at the Williamson Art Gallery and this exhibition will be open to the public from Thursday July 11<sup>th</sup> and into the summer holidays. Don't miss out on a chance for a free day out to go and see them along with art work from the other local schools involved in the Coast to Country project.

We look forward to seeing you celebrating with us on Monday.  
Our thanks go to Mrs Sadler and Miss Woods for organising the exhibition.

Yours sincerely,

Mrs K Takashima  
Headteacher
