West Kirby Primary School The Great Fire of London

A map of the Great Fire of London

The Great Fire of London happened between 2-6 September in 1666.

The fire began in a bakery in Pudding Lane.

Thomas Farriner owned the bakery. He'd forgotten to put out the fire in his oven the night before.

In 1666, lots of people had houses made from wood and straw which burned easily. Houses were also built very close together.

The fire burnt down a lot of buildings – over 13,000 houses, 87 churches and even St. Paul's Cathedral!

Samuel Pepys

Years 1 & 2

Samuel Pepys was a writer and he wrote a diary about what he saw during the Great Fire of London.

Fun Fact ... Samuel Pepys buried cheese in his garden to keep it safe.

Ideas to think about...

- How do firefighters today put out fires?
- What are houses made from today?
- Can you find London on a map of the UK?
- How tall is The Monument?
- What other landmarks are there in London?
