PE Days...

It worked really well last year when the children came to school in their PE kits on the days that they had P.E. We will continue with this and keep it under review.

EYFS need to come to school in their PE Kits on Mondays from Monday 13th September
Year 1 and Year 2 need to come to school in their PE kits on Thursdays from Thursday 9th September
Year 3 and Year 4 need to come to school in their PE kits on Wednesdays from Wednesday 8th September
Year 5 and year 6 need to come to school in their PE kits on Fridays from Friday 10th September

At times there may be days when classes have additional PE and will need to come into school in their PE kits on an extra day – we will let you know if this is the case for your child's class.

Online Teacher Meetings...

We will be holding our Meet the Teacher Meetings via Teams during week commencing 6th September. The TEAMS links will be emailed out at the end of the week. These meetings are a chance to listen to the class teachers explain key messages and expectations about your child's phase.

Monday 6th September – Years 5 and 6 Meeting via Teams from 5pm
Tuesday 7th September – Years 3 and 4 Meeting via Teams from 5pm
Thursday 9th September – Years 1 and 2 Meeting via Teams from 5pm

Home Learning...

Our Autumn 1 2021 Home Learning Documents are now available on our Website for F1 – Year 6. Please access these as they provide information about the weekly tasks that the children should be completing to support their learning in school.

Topic Webs...

The Autumn 1 2021 Topic Webs are also available on our website. These provide information about what the children will be learning – it looks an exciting term!

EYFS are learning All About Me
Years 1 and 2 are learning about Toys
Years 3 and 4 are learning about The Tudors
Years 5 and 6 are learning about Crime and Punishment

Contact Details...

Please ensure that the school office have up to date contact details as we will be using these to send any correspondence by email out over the next few weeks. In addition, please ensure we have any updated medical information and any medication we hold in school is in date.
