

# Duplo Words

## Phase 2

### Activities to try:

- See how many words you can build with the sounds on the bricks. Say the word first and ask your child to separate the sounds and find the letters on the bricks. Say the sounds again in sequence and put the bricks on the baseboard.
- Make a tower of bricks. Ask your child to say each of the sounds in the tower, pointing to each letter as they say it.
- Say a sound and ask your child to find the letter on a brick. Continue saying different sounds until your child has built a tower.
- 

### What is your child learning?

- Linking sounds to letters
- Blending sounds together into words
- Segmenting simple words into beginning, middle and last sounds in preparation for writing
