Neil Armstrong

Neil Armstrong was born in North America 1930. He first trained to be a pilot but then became an astronaut. He is famous for being the first man to walk on the moon.

Sir Tim Berners-Lee

Tim Berners-Lee was born in London in 1955. As a child he was fascinated by computers. He began his career as a computer software designer. In 1989, he invented a way for people to share documents and all sorts of

other information on the internet. This was called the world wide web.

Ideas to think about...

- The internet and the world wide web are two different things. Can you find out what the difference is?
- Florence Nightingale was another famous nurse who worked in the Crimean war. Find out about her.
- If you were to make a discovery ... what would it be? Where would you go? How would you travel there?
