Dear Parents,

21st June 2019

On Friday 28th June, Year 3 and 4 will be visiting West Kirby Beach to support our learning in the 'Coast to Country' project.

Pupils will take part in three activities: A Litter Pick, led by local group The High Tidiers; A Wildlife Identification Hunt using maps and a Beach Safety talk from the RLNI lifeguards.

We will be leaving school after lunch at 1.00pm and will return at 3.25pm, so pupils can be collected as usual. The children will need to wear their school uniform, but may bring in a change of footwear suitable for the beach. Please also ensure that your child has a waterproof coat.

This is a great, fun opportunity for the children to learn some essential knowledge and skills as well as experiencing the practical element to the Geography, Science and Eco learning they have been doing in school over the past few weeks. This trip, however, cannot take place without the support of our parents.

Please indicate on the slip below if you are able to accompany us, and we will contact you as soon as possible to thank you and give further details.

Yours Sincerely

Mrs K Takashima
Headteacher
