Class: Reception - F1/2I

Do you have any general comments about your teaching or the school? (For example, activities you have enjoyed. If you have any ideas on how your subjects or your school could be made better, please write them here). Please do not use any rude words or mention any staff by name.

I ilke everthings in this school.

Class: Year 1 - Class 1

Do you have any general comments about your teaching or the school? (For example, activities you have enjoyed. If you have any ideas on how your subjects or your school could be made better, please write them here). Please do not use any rude words or mention any staff by name.

I lic drawing.

Its friendly.

I like it because it has lots of pictures because I like doing work.

I like lessons and playing.

I like playing and doing work.

I like doing my English and my handwriting lessons I don't like lasange.

I like doing art, science and topic. I don't like roast dinners.

I like playing football and playing. I don't like some people hurting me.

I like working with my friends. I don't like people that are being mean to me.

I like playing with my friends and I like doing English. I don't like bullying.

I like lunches that they have. I like playing outside with my friends.

Playing football Doing my maths I don't like skipping.

I like learning new things. I like making lots of friends. I like everything about school.

I like doing art and I like doing choosing. I don't like homework.

I like doing work then have a little bit of choosing when I finish. I don't like going on the red or orange.

I like doing handwriting and maths. I don't like nothing.

I like doing English and Maths and handwriting and assemblies. I don't like computers.

I like activities and choosing and mathletics. I don't like Maths and English.

I like lunch and playing outside. I like playing in my class. I don't like writing.

I like doing Art and making moving pictures. I don't like doing so many work.

I like doing choosing and handwriting. I don't like running around.

I like doing choosing and handwriting. I like maths.

I like when we do handwriting and art.

I like art. I don't like writing.

Class: Year 1 - Class 1/2

Do you have any general comments about your teaching or the school? (For example, activities you have enjoyed. If you have any ideas on how your subjects or your school could be made better, please write them here). Please do not use any rude words or mention any staff by name.

I like my teachers at this school and everyone is my friend. I do not like the lines at our school.

Is that some time it is nice and quit.

That my friends are nice.

Class: Year 2 - Class 1/2

Do you have any general comments about your teaching or the school? (For example, activities you have enjoyed. If you have any ideas on how your subjects or your school could be made better, please write them here). Please do not use any rude words or mention any staff by name.

I like everything about are school I don't have anything I don't like about are school.

I like play times the most because they have loads of fun things to do like hoola hooping things and space hoppers. I don't like our maths in our school because it is eather to hard or to easy.

I like the teachers and I dont like moving classes.

I like moving classes and meeting new teachers.

I like that there are plenty of people for friends in school.

All of my friends.

I like everything here.

I like my friends because they are kind and we learn a lot.

I like our school because I have loads of friends to play with and have fun.

I like school because I lern new things that I do not know. I don't like about school is it is not fair that year 1 get to do easy things and year 2 have to do hard things.

Class: Year 2 - Class 2

Do you have any general comments about your teaching or the school? (For example, activities you have enjoyed. If you have any ideas on how your subjects or your school could be made better, please write them here). Please do not use any rude words or mention any staff by name.

I like my techer . I don't wont to go to a difrent class.

I like about school being with my friends and being on the trim trail. I don't like about my school I get bullied but I tell the lunch times a lot and I hate people kicking the ball at me when I am not ready then throw the ball. I like my maths and English, art and my friends when they play with me.

I like the school trips I don't like sports day.

I like talking to my friends. I do not like phonics.

I like school a bit because hard work and when I don't know what to do in the playground.

I like school because people let me play with them.

I like maths at school but I don't like being bullied.

I like the teacher I do not like times tables.

I like about school is my friends and teachers.

I like homework.

I like computers.

I like art and maths.

Mrs Green teaches.

I like about school is being with my friends and being with my teachers. I don't like is people pushing me over.

I like Lola S and I like the school.

I like doing English because I like to do writing. I don't like maths because it's very tricky.

I like my friends because they are kind and friendly. I don't like really hard work.

I like school because I have friends.

I like the other children.

I like our school because we have loads of things to do.

I like activities. I like playtime. I like lunchtime.

I like the teachers in our school.

Class: Year 3 - Class 3

Do you have any general comments about your teaching or the school? (For example, activities you have enjoyed. If you have any ideas on how your subjects or your school could be made better, please write them here). Please do not use any rude words or mention any staff by name.

The school has bit too much health and safety such as playing tag.

I like my school and the teachers are nice here. There are many different activities. I would prefer this school than any other.

I enjoy sport and art. School is great.

Daisy's pleas.

My teacher is kind, helpful, funny and I think she's a good teacher.

The school is just right for me and I know that the teacher will look after me and this school is just the best one I've

been to.

I like my teaches and the activities.

I think all the years should swap fore a day.

I enjoy it when it is are football and when we do fun things in pe but my favourite thing in school is maths.

I enjoyed sports day and the learning lighthouse trip.

I like my teachers they are nice I like going on school trips they are managed well and they're fun.

I like all my teachers because they are nice to me and I like the subjects too.

The school could do more healthy weeks.

I enjoy playing with my friend's.

Daisys.

I like the art we do and my teachers Mrs Coombes and Mrs Bailey. They are very kind to me and make sure we all are well looked after.

My teacher is kind to me and the staf.

I like it when we do Art with Mrs Bailey and Mrs Coomes.

I like all my teachers and I like my subjects.

I enjoy school and I love my teachers because there nice to me and they help me if I am stuck.

I like this school.

Class: Year 3 - Class 3/4

Do you have any general comments about your teaching or the school? (For example, activities you have enjoyed. If you have any ideas on how your subjects or your school could be made better, please write them here). Please do not use any rude words or mention any staff by name.

I enjoyed waste week , switch off fortnight and healthy week.

It could be run a bit better and I don't think we should have split classes because if your a year four and your put in with year three you don't learn as much as think we should do in year four and you could then not do as well as you want to do or not pass the eleven plus and that's very important because it leads to big things in life and it could stop you from having a good job. Also I don't like the fact that at lunch time if your on school meals you get cake but the packed lunches aren't allowed to have cake so its not fair on them. The school could have better facilities so people can learn lots more things that can help them out in life.

I think that people on packed lunches can have what they want for lunch because they say your not allowed to have chocolate or crisps and the school lunches have chocolate cake and unhealthy things.

My anger problems and worries have been handled with well and the learning mentor has helped me believe in myself.

I have really enjoyed making new friends at this school. My problems have been sorted with the staff.

I enjoy art and English. I think the school could make history more interesting. I improved in science this year.

I enjoy music and art but I think the school could be more organised.

I love this school because I have wonderful friends and the teachers are really kind helpful and lovely.

I think the teacher are very kind.

I have enjoyed lessons with my teacher and others but playtimes worry me most.

The teaching is very good at west Kirby primary school. My best subject is art , history , maths and English.

Football at lunch is very fun.

I think that the teachers should deal with bullying better on the playground.

At lunchtime I feel that I am safe and happy and that problems get solved.

I am ok with this school.

I've enjoyed maths I think its a excellent subject.

I enjoyed sports day and mini Olympics day.

Class: Year 4 - Class 4

Do you have any general comments about your teaching or the school? (For example, activities you have enjoyed. If you have any ideas on how your subjects or your school could be made better, please write them here). Please do not use any rude words or mention any staff by name.

I enjoy school, but I get bullied by other children. I have lots of friends at school!.

We should have a football team.

I enjoyed going to barnstondale and I think that the teachers organised barnstondale really well. I especially enjoy doing art music and language.

I loved Barstondale and the talent shows.

I enjoyed seeing my new teacher and she has always have fun.

I enioid barnstondale.

I really like my teacher.

Staff are very nice.

I enjoy my subjects that my teacher sets up for me but some I struggle on & I don't always agree on some choices.

I enjoy engilsh and iam prod with the school because they keep us safe and they are helpful and they help me with my maths and teach us to work very hard.

School is really fun and very safe. I enjoy my subjects but I do struggle a lot.

I'm happy at school because supported well.

I like school very much and I love the lessons, teachers can be very helpful and kind.

I enjoy school a lot and the teachers are very nice.

I some times get a bit upset because people are some times mean to me and make me feel un comftible at school.

I like school but I do not like it when I get bulled.

I have really enjoyed my English, science and my maths but I need to improve my maths. I have also enjoyed all my school trips I have been on.

The school should have a football team.

Class: Year 5 - Class 5

Page 6 of 8

the series it starts. I also think we should put a trim trail in the infant play ground.

Football dodge ball bench ball rounders and other ones that I play with my friends that are fun and makes me happy.

I love Art and English maybe we could have some more trips .

I like art and PE days also I like English.

Some times I feel left out but the teacher sorts it out this is the best school in the world I think everyone should come to this school it feels like its home I never want to leave this school but I have to next year.

I like art days and science days Generally I get on well with my friends I LOVE English and PE.

When people get bullied, no-one notices and the person getting bullied doesn't know what to say to a teacher. Often the worry box isn't emptied. The lunchtime staff don't tell children to move their names. I have liked my year more than others, but it has gone by quickly.

I love art and maths and like P. E and science.

I think we should have more demonstrations in Science as people will take more in. I also think we should make the topics more exciting.

Play at lunch is well organised there is a lot of activities: Doge ball, footie and many more. For two years now, I have been a separate class to my very best friend, Sam. I think we should do more school trips and food tech. I think the school dinners are very nice.

No.

I like this school because the maths get hard every week.

This school is one of the best schools that I have ever been in and ever has fun and we do sports.

I enjoy sports day and pe also dogeball.

The sports days are always enjoyable sometimes I feel people don't want me to be with my friends or try to force me to be friends with people that I don't want to be with but I think that the school is still good.

Class: Year 6 - Class 5/6

Do you have any general comments about your teaching or the school? (For example, activities you have enjoyed. If you have any ideas on how your subjects or your school could be made better, please write them here). Please do not use any rude words or mention any staff by name.

I really like this school, and when certain pupils were bullying me, the teachers dealt with it very well. When we went to Chester Zoo, it was great because we could choose what animals we wanted to see. There have been lots of other fun trips that we've been on too. I have really loved my time at this school, and I'm wish I didn't have to leave!.

I really enjoyed it when some children in this school, including me, got the opportunity to swim in a swimming gala, as I have never been to one before. I think that this school deals with bullying well, but I think that the teacher shouldn't make you hug and be friends with the person who bullied you, if the pupil doesn't want to.

I enjoy maths because it is interesting.

I have enjoyed how the school is organised properly and mostly no changes. I like it when my friends copy my games because they show that they like them.

Sometimes we do fun activities and it makes the lessons interesting but I think we could do it more often. PE is my favourite subject because it is fun and we usually get games at the end. Although I am quite happy with my school I would prefer to sit on chairs in assemblies instead of the cold, hard floor.

I think that our school have more healthier lunches as they do serve chips every week and serve roast dinner every week as well.

I have enjoyed football and P. E.

I think that science should be more practical and less biographies of famous people, I also think that some assemblies should be aimed at the higher end of the school. I believe that pupil complaints aren't being taken seriously or aren't being acted on effectively.

I think the chairs and tables should be renewed and more comfortable, and the older children should get to sit on benches chairs etc. Also at lunch time there could be better tables.

The school should serve healthier lunches because at the moment we have roast dinner and chips in the same week and sometimes we have pizza.

I think that we should join in more competitions and also we should have waaaaaaaay better sports day's which are more competitive.

I enjoy the school trips at west Kirby primary. The art lessons are good but I would like to have a art club at school.

The teachers when we choose our classes and friends the teachers don't listen and the headteacher doesn't listen to her students.

I would like a acting club in school. I have enjoyed goig to the marine lake an hilbre island .

For year six I put down six names of people I would like in my class next year and non of them were chosen to go in my class.

I think this school could deal with bullying a little bit more and the dinner staff could be more fair and listen a lot more.

I really like how the staff organise lunchtime and playtime events.

Class: Year 6 - Class 6

Do you have any general comments about your teaching or the school? (For example, activities you have enjoyed. If you have any ideas on how your subjects or your school could be made better, please write them here). Please do not use any rude words or mention any staff by name.

I think are school should have drama seeing as drama is a keen subject. And we should have a swim team/swimming pool.

My teacher is very strict but she teaches me very well and she is probably my favourite teacher.

I really like the ict because when you are on it the school has loads of things to do like athletics, spag and much more Overall is it a good school.

It's a really nice school and in reception when I came everyone was really welcoming. There have been a few problems when I got into year 6 but that's with the other pupils at school or just growing up. I have been bullied a bit, but I'm ok now and the school dealed* with it well. *sorry if that isn't a real word!.

It's a really great school. Everyone welcomed me when I came and everyone accepted my different background as I am from a different country. I have really enjoyed life at this school. All the teachers are amazing they are so kind and lovely. And the school deal with problems really well.

I like the P. E because it can sometimes be fun and ict because we get to find out stuff and do power points.

Tag rugby and sports clubs.

Overall the school could be better, but it is not a terrible or bad school, but I feel like the school dinner ladies do not deal with arguments well they just simply tell you to "stay away from them" when you are clearly upset about it.
