

Visit our
classroom!

We would like to invite **all** our Parents and Carers to our school to visit your child's classroom and spend some time in school. This will be an informal drop-in to enable you to see your child's classroom, your child's work and our school environment. Due to the Pandemic many of you have not been into school for a long time and some of you have never had this opportunity.

If there is anything specific you would like to discuss with your child's teacher, please contact them separately.
