7th February 2022

Dear Parents & Carers,

After half term, we will be offering a series of National Curriculum Test preparation sessions for all children in Year 6. These sessions will include Maths and Reading Comprehension. We will look at exam technique as well as developing an awareness of the different types of questions they will be expected to tackle when they complete the tests in May 2022.

Our Study Zone sessions will be on held after school on Mondays from 3.20pm to 4.20pm for six weeks. The first session will be on **Monday 28th February** and the final session will be on **Monday 4th April**.

The session dates will be...

Monday 28th February
Monday 7th March
Monday 14th March
Monday 21st March
Monday 28th March
Monday 4th April

We ask if you could please provide your child with a snack and drink on the day that they can have at the end of the school day before the Study Zone session starts.

Teachers are giving freely of their time after school to make this possible so we hope your child will be able to benefit from this opportunity and look forward to hearing from you.

Please complete the questions on the link so that we have a register of who is attending and the arrangements for dismissal at 4:20pm. [Year 6 Study Zone Permission Link](#)

Yours sincerely

Mrs E Bailey
Headteacher
