

## Make Maths fun!

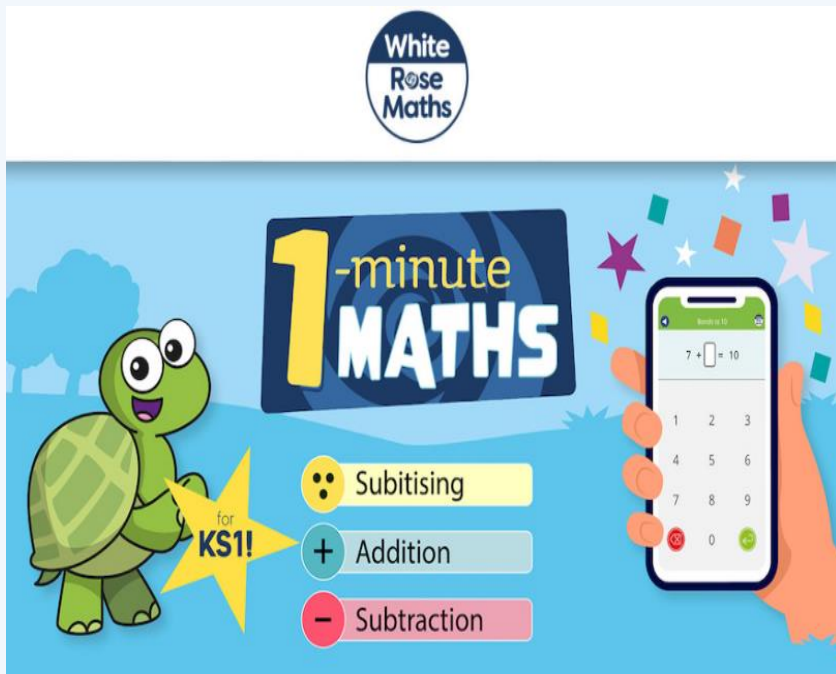

White Rose Maths is a scheme of learning that supports the Teaching and Learning of Maths at WKPS.

White Rose Maths have just released a brand new 1-minute Maths app to support the learning of Maths for children in EYFS and KS1.

The app helps children build greater number confidence and fluency. It's all about targeted practice in engaging, 1-minute chunks.

This is a great way to further support your child with Maths at home. The app is FREE to download and available on Android and Apple.
