20<sup>th</sup> March 2019

Dear Parents

The children in Year 4 would like to perform their musical skills in a short concert held after school. They will be performing on **Thursday 28<sup>th</sup> March at 3.45pm** in the school hall.

The children have been learning to read musical notation and will be demonstrating their skills on the recorder which they have been learning each week for the past 2 terms. The children will also be singing some songs from their music lessons. There will be an opportunity to hear the guitar group and some solo instrumental players.

The children in Year 4 are very enthusiastic in music lessons and are eager for you to hear their achievements. They have been practising hard and a mini-concert will be an ideal way for them to share their talents.

Please indicate below if you would like to reserve some seats for the concert and sign the form to enable your child to stay after school. This is optional of course, but each child has a role to play in the concert and we would like every child in Year 4 to take part if possible please.

If you are not available to come, your child may still take part in the concert and may be collected in the usual way at 4.30pm.

Thank you for your continued cooperation in what we hope will be a lovely event.

Yours sincerely

Mrs K Takashima  
Headteacher
