Dear Parents/Carers

23rd January 2020

From week beginning 27th January, 2020 we will be issuing all children in Year 2 with a reading book from the library. This will be from our Pink Level – short stories with simple text for children who are learning to read.

Any child already on Pink Level will be moved onto Blue Level.

There will be an opportunity to change the book every week on Wednesday afternoons during the Key Stage 1 library session.

The children will be responsible for returning and choosing their own book from the library. This will be in addition to their library book (non-fiction, picture books etc).

The phonics reading scheme books will be sent out by the class teachers as usual.

We are introducing this new initiative to encourage children to read for pleasure and promote an enjoyment of books. The books can be read aloud, used for shared reading, or they can be read to your child if they are unable to read it for themselves.

If you have any comments or questions with this, or any other aspect of your child's reading, please use the Reading Records to communicate with the Class Teacher and Library.

Yours sincerely

Ms J Hitchin
Librarian
