Good afternoon

Climate Champions Creative Writing Project for Children aged 7-11 years

We are running free after school, weekend and half term creative writing courses on the theme of climate change for children aged 7-11 years across the Liverpool City Region and Cheshire West & Chester.

During sessions, children will hear about real life climate change concerns and write a short story of their own which can be then shared via social media, displayed in local libraries, presented on YouTube and at a special event at Liverpool Central Library (Covid dependent) to coincide with the 26th UN Climate Change Conference in November 2021.

All live courses will take place online via Zoom and there will be a maximum of 20 free places on each course with registration on a first come, first served basis.

The live courses will be held on:

Wednesdays, 5pm to 6.30pm starting 29th September 2021 for 4 weeks

Thursdays, 5pm to 6.30pm starting 30th September 2021 for 4 weeks
