

I spy Phase 1

Activities to try:

- Play I spy with the objects on the tray.
- Play I spy but sounding out the letters instead of using the initial sound. Eg I spy with my little eye, something with the sounds c-a-t.
- Ask your child to take the I spy role and repeat the activities.

What is your child learning?

- Hearing the initial sound in words
- Blending sounds together into words
- Segmenting simple words into beginning, middle and last sounds in preparation for writing
