13th September 2018

Dear Parents of pupils taking 11+ selection tests

The Authority can take into account special circumstances that may have affected your child's attainment and performance in the grammar school assessment, for example if his or her education has been seriously disrupted through ill-health, disability, change of schools, domestic problems or any other cause.

If you believe that there are special factors that could have affected your own child's performance in the assessment, you should put them in writing to me by Tuesday 18th September 2018 to be sent on to the Authority.

Any children absent on either of the test dates will have the opportunity to sit the test missed once he/she is back at school and we will inform parents of these arrangements.

We will have already been in touch with you if your child had any problems during either of the tests.

Yours sincerely,

Mrs K Takashima
Headteacher
