

Monday 13th December

Dear Grown Ups of West Kirby Primary School,

Our PTA Elves have been busy creating solutions to ensure that the festive joy can still be shared at West Kirby Primary School. With Father Christmas and his Elves keeping safe this year at their factory, so Father Christmas can travel on the big night, we have secured a virtual slot with Santa himself. We are hoping to create the same excitement as an in-person visit.

We are beaming Santa from the North Pole with a personalised message to all at WKPS. This will ensure that no children will be live on the web or visible to Santa and his Elves as messages are pre-recorded. The PTA Elves will also be providing a Chocolate Santa for every child.

We want to ensure that the children enjoy making some special memories and have a truly magical time.

We would love each and every child to be part of this special experience we are asking for a suggested donation of £3. This will cover part of the cost of the event and include reindeer dust to bring home.

Please could you fill out the below and bring your donation into school by **no later than Friday 17th December.**

Please can we also remind you to send in your child's Christmas Jolly Jar, which will be on sale after school on Friday.

Many thanks

Father Christmas and the WKPS PTA.
